

Steinford TOY Foundation

July, 2012

Dear Friend of Steinford:

Each year, over 2,500 kids enjoy a brighter Christmas because of the generous support we receive from area companies and individuals. On Friday, September 28, 2012, the Steinford Toy Foundation will be hosting our 20th Annual Golf Outing at Fox Run at the Kenton County Golf Course. This is our one major event that raises the funds necessary to buy toys that will carry on the tradition. We would appreciate your commitment to be a sponsor for the golf outing.

- Are you aware that George and Rose Steinford started the Steinford Toy Foundation in the 40's in their basement repairing and delivering toys to needy children?
- Are you aware that the Steinford Toy Foundation is a 501 (c) 3 non-profit organization and is totally funded through individuals and companies like you who want to see a child in need have a great Christmas?
- Are you aware that the Foundation is totally supported through volunteer efforts and 100% of all contributions go to support the purchase of toys and educational materials for these children?

These are just some of the things that make the Steinford Toy Foundation such a wonderful organization to support!

Sponsor levels are described on the enclosed page. There is also a reply form attached for your convenience. If you have any questions feel free to contact me at dancorbin@corbinbuilders.com or 859-393-7615.

Thank you so much for considering our request. Your contribution will ensure a successful event that will enable many children to have a joyous Christmas this year!

Sincerely,
